This is to certify that **MR. NISARG K. CHASMAWALA** was engaged with **SYSAP TECHNOLOGIES, Pune**, for a professional tenure spanning **13 months**, from **1st February 2024 to 28st February 2025**. During this period, he was entrusted with acquiring hands-on experience in the **INDUSTRY FRAMEWORK OF VULNERABILITY ASSESSMENT AND PENETRATION TESTING (VAPT)** under the proficient guidance of our experienced team, particularly under the mentorship of **MR. SATEESH KUMAR SINGH**.

MR. CHASMAWALA fulfilled his responsibilities as a **part-time employee**, adeptly managing his duties remotely from Surat, India. Allocating **3 to 5 hours daily** to his assignments, he exhibited exceptional technical acumen and a commendable level of dedication, consistently meeting and exceeding expectations.

- Throughout the course of his internship, **MR. NISARG K. CHASMAWALA** showcased significant competence and demonstrated mastery in the following areas:
- Architecting, developing, and troubleshooting **network infrastructures** to ensure their security, efficiency, and robustness.
- Proactively monitoring and resolving **complex network issues**, thus maintaining optimal system performance and minimizing downtime.
- Conducting **comprehensive vulnerability assessments**, meticulously identifying security risks, and proposing effective mitigation strategies.
- Executing **penetration testing protocols**, simulating advanced cyber-attack scenarios to evaluate system resilience and provide actionable recommendations for enhancement.
- Adhering to and implementing **industry best practices in Computer Security and Information Security**, ensuring compliance with established security frameworks and protocols.

MR. NISARG K. CHASMAWALA's ability to seamlessly adapt to the demands of a dynamic technological landscape, combined with his eagerness to delve into complex cybersecurity challenges, was reflected in the meticulous quality and precision of his deliverables. His disciplined approach to remote work, coupled with excellent time management and self-motivation, made him an invaluable contributor to our team.

We at SYSAP TECHNOLOGIES hold **MR. NISARG K. CHASMAWALA** contributions in high regard and acknowledge his potential as a promising professional in the cybersecurity domain. His tenure with us has not only been marked by technical proficiency but also by an unwavering commitment to excellence and growth.

We extend our sincerest wishes for his future endeavours and are confident that he will continue to excel and achieve commendable success in his career.

Warm regards,
